EXEMPTION FROM BUILDING REGULATION CHARGES

Exemption from charges is ONLY applicable where the work concerned is connected to an existing building and is of direct benefit to a person(s) with the disability [see Note 7]. (Please complete section below. NB: The building work proposed must have a clear link to the person's condition, e.g. a downstairs wet room for a person with limited mobility). **A letter confirming eligibility for receipt of disability living allowance as proof of entitlement to exemption must accompany any Building Regulations application being accepted without a charge.**

Name of person(s) with the disability (if different from overleaf)*

Details of the disability*

.....

.....(please continued on a separate sheet).

How will the work be of direct benefit to the individual(s) concerned?*

Section A - Please identify the element of work that is being undertaken under the exemption criteria above. (✓)

- a. Extension (or conversion of an existing room) to form a downstairs wet room or bedroom.
- b. Installation of a through floor or stair lift facility.
- c. Extension (or conversion of an existing room) to form a facility for the sole purpose of storing medical equipment in support of a medical condition.

I confirm that the above information is correct and wish to claim exemption from the Building Regulation charges. Where the work involves an extension, please ensure that the relevant section on Page 4 is completed.
